

Specification Sheet

CV 66/2

Simple and effective mid to large area carpet vacuuming.

KÄRCHER's new CV 66/2 is a wide-brush vacuum cleaner designed for daily and deep cleaning of mid to large carpeted areas. With two counter-rotating roller brushes and a floating brush deck, the CV 66/2 is fast and thorough, and capable of cleaning up to 1000m² per hour. The CV 66/2 is easy to operate and manoeuvre, with simple switches and an adjustable handle. The machine has a 660mm working width and two powerful vacuum motors.

- Floating brush deck for maximum carpet contact on uneven floors.
- 35 litre capacity and spare bag storage for minimum down time.
- Counter-rotating brushes for efficient dirt pick up.
- Folding handle for easy storage.
- 20m power cable for large area coverage.
- Easy and clean bag changes from top cover.
