

CV 85/2 RS

New step-on large area carpet vacuum.

KÄRCHER's new CV 85/2 RS forms part of the new battery-operated RS range of step-on floorcare machines. Designed for fast and effective vacuuming of large area carpets, the CV 85/2 RS offers excellent manoeuvrability, operator comfort, and long run times. The machine has an 850mm working width and two powerful vacuum motors.

- Step-on design keeps operators alert and ensures accurate cleaning.
- Very small 1.3m turning circle for excellent results in aisles and corridors.
- Floating brush system to ensure continuous contact with carpet.
- Counter rotating brushes for efficient dirt pick up.
- Easy and clean bag changes from top cover.
