

EB 30/1 Battery Powered Electric Broom

Powerful commercial electric broom

The EB 30/1 is an excellent tool for a quick and effective clean in shops and restaurants and ideally suited to the contract cleaning industry thanks to its ease of use, quiet operation and interchangeable battery design. The powerful Ni-Mh battery pack keeps the machine operating for 30/45 minutes dependant on the floor surface being cleaned.

Two large rear wheels with soft-grip and the innovative cardan jointed handle make the machine highly manoeuvrable and easy to operate.
