

# GR4500

## Gum Removal

The GR4500 is a commercial chewing gum removal system incorporating an (up to) 4.5 bar pressure steam boiler with an integral chemical delivery system. Made from highly durable stainless steel construction the unit features a continuous fill boiler system allowing refill at any time during operation. This machine is ideally suited for smaller areas of chewing gum removal i.e. shopping centres, sports stadiums and local authority concerns.

## Technical Specification

### GR4500 Specification

#### Dimensions

|                                   |    |
|-----------------------------------|----|
| Height [cm]                       | 46 |
| Height with handle [cm]           | -  |
| Depth [cm]                        | 42 |
| Depth with handle and basket [cm] | -  |
| Width [cm]                        | 32 |
| Weight [kg]                       | 14 |

#### Functions

|             |     |
|-------------|-----|
| Steam [bar] | 4.5 |
| Detergent   | yes |
| Vacuum      | no  |

#### Capacities [litres]

|                |     |
|----------------|-----|
| Water tank     | 5   |
| Detergent tank | 2.5 |
| Vacuum tank    | no  |
| Boiler         | 1.8 |

#### Wattage

|                         |      |
|-------------------------|------|
| Vacuum motor [W]        | no   |
| Boiler [W]              | 1950 |
| Nominal input power [W] | 2000 |

#### Other

|                    |     |
|--------------------|-----|
| Supply voltage [V] | 240 |
| Cord length [m]    | 10  |

#### Indicators

|                            |                         |
|----------------------------|-------------------------|
| Steam pressure (boiler)    | no                      |
| Steam Temperature (boiler) | digital                 |
| Boiler ON                  | indication LED          |
| Steam ready                | indication LED          |
| Refill water               | indication LED & beeper |
| Vacuum ON                  | no                      |
| Refill detergent           | no                      |

#### Controls

|                     |                 |
|---------------------|-----------------|
| Main switch         | on machine body |
| Mode switch         | no              |
| Steam trigger       | on hose handle  |
| Detergent trigger   | on hose handle  |
| Vacuum trigger      | no              |
| Steam regulator     | manual valve    |
| Detergent regulator | no              |

#### Maximum continuous hours of usage per 12hrs

### Accessories Included

- 4m steam only hose
- 2 x extension tubes
- Floor brush
- Triangular brush
- Large brush elbow
- Window squeegee
- Long nozzle
- Curved nozzle
- Detail brush nozzle
- 5 x round nylon brushes
- 5 x round brass brushes
- 55mm round brush
