

HET200 - 22

Full Twinflo' two-stage professional motor giving exceptional performance; hi-lo operation allows different power to meet different surfaces and applications, also reducing sound levels for sensitive areas. The 10-metre cable storage and rewind system is a work of art, trouble free and spring free, and it keeps everything neat and tidy. The giant Tritex

Twinflo'

filter system makes sure that what goes in stays in, and giant Microflo' dust bags are really clean and easy for emptying.

The standard accessory kit is fully comprehensive and even some of the tools are stainless steel.

A true professional in every sense of the word but never without that famous smile, loved and appreciated by users the world over... ask any Henry owner.
