

MotorScrubber

No more elbow grease with the touch of a button

The Motorscrubber's powerful rotary scrub head is powered by a rechargeable 12v battery backpack. The backpack is light (it weighs less than 3kg), fully adjustable and provides up to 4 hrs of 'start & stop' on a single charge.

3 different size handles to choose from.

Easy to use - lightweight (only 1.5kg) with comfortable soft grip handle.

Interchangeable brushes can be quickly and easily switched with a twist of the wrist.

Put one on your shopping list!

The motorscrubber starter kit includes the scrub head & handle, backpack with battery & coil, battery charger, D-handle, pad holder with red, green & white pads, microfibre pad and an aggressive duty brush.

Our full line of accessories (see reverse) make the Motorscrubber the ideal tool for spot cleaning, scrubbing, waxing & buffing - tile, painted surfaces, glass,

Scrub head swivels from 0° to 70° and can be locked into position

Easily cleans those hard to reach spots

Cleans skirting boards, step risers, floors etc... without plugging in!

Motorscrubber head is immersible in water and cleaning solutions

The versatile, powerful Motorscrubber cleans anywhere and everywhere!
