

# Multiwash

**Multi-purpose floor cleaning machines that wash, mop, scrub and dry on both hard and soft floor coverings in one single pass.**

- High-speed productivity.
- Highly effective on “difficult” floors including:
  - Non-slip safety floors
  - Low pile carpets
  - Escalators and travelators
  - Entrance matting
- Excellent manoeuvrability and productivity.
- Quiet in operation.
- Accessible and removable tanks for fast filling and emptying.
- Leaves floors ready to walk on in minutes.
- Available in different cleaning widths – 24cm, 34cm and 44cm.
- Choice of brushes for normal, maintenance cleaning or intensive scrubbing.

**Ideal for:**

- Food service areas.
- Hospitals.
- Nursing homes.
- Retail premises.
- Schools.

A Tacony Company

**Ideal for cleaning tiled floors and grout as rotary brushes scrub the grout lines clean**

**Optional trolley for easy transportation**

**Excellent results on non-slip safety floors**

**Optional side brush cleans right to the wall**

**“Pump” models feature 4 litre solution tank and spray pump - making them better for cleaning larger floor areas or for carpet cleaning**
