

Product Data Sheet

T 10/1 Professional

High value Tub Vacuum designed for contract cleaners.

The T 10/1 Professional brings new levels of quality and value to the contract cleaner tub vacuum sector. With key features designed to keep purchase and maintenance costs low, the T 10/1 Professional offers the toughness, simplicity, performance and value contract cleaners demand.

New Anthracite Colour

- Easy to keep clean
- Less conspicuous in public areas
- Easy to locate controls and service elements

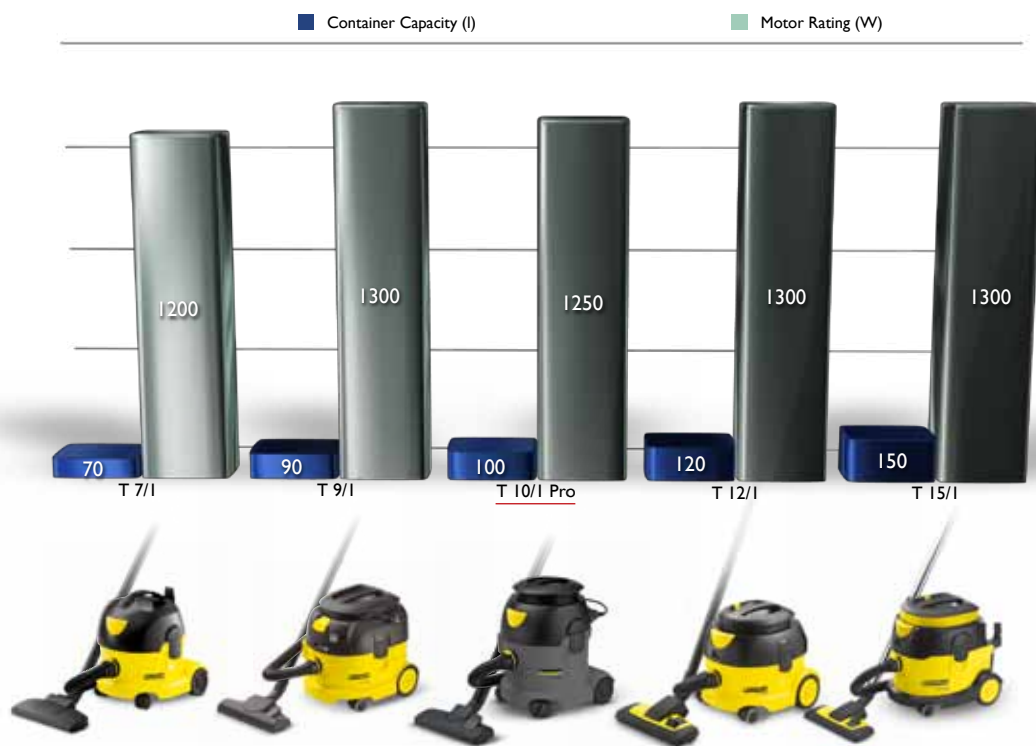

Features and Benefits:

- Quick release mains cable, reducing the risk of damage and eliminating the need for engineer call-out
- 12m power cable, giving a wider cleaning range than other tub vacuums and increasing efficiency
- Cable wrap to ensure cable is neatly stored when not in use
- Anti-static suction bend as standard, reducing static shocks
- Washable fleece filter basket as standard, offering improved filtration over nylon baskets
- Crevice tool as standard

Range Comparison

Kärcher Tub Vacuum Cleaners

Accessories
