

## BD 60/95 RS

### New step-on large area scrubber drier

KÄRCHER's new BD 60/95 RS scrubber drier forms part of the new battery-operated RS range of step-on floorcare machines. Designed for fast and effective scrubbing and drying of large area hard floors, the BD 60/95 RS offers excellent manoeuvrability, operator comfort, and long run times. The machine features a 600mm working width, 95 litre tank capacity, and a variety of disc brush/pad options to suit different floor types. Also available as the BR 60/95 RS with roller brush/pads.

- Step-on design keeps operators alert and ensures accurate cleaning.
- Very small 1.3m turning circle for excellent results in aisles and corridors.
- Swivelling squeegee collects water even when turning.
- Simple controls offer ease of use and low training costs.
- Aqua-Mizer System™ keeps chemical in the cleaning area for longer, providing outstanding results and minimal water and chemical usage.

## Technical data

## BD 60/95 RS
