# Bicycle stands

## 1 to 3 Infinite modular bicycle stand

A very efficient solution at an affordable price. Can be extended to accommodate requirements.

Structure made in Ø 35mm, stand in Ø 16mm steel tubes. Space of 50mm between the hoops to hold all bikes, including mountain bikes. Free-standing or anchored to the ground, drilled with holes: Ø 13mm (bolts not supplied). Additional 2-space modules can be added as required. Finish: galvanised.

## 4 6-space high/low bicycle stand

Made of galvanised or painted steel. Available in our RAL colours. Designed to fit into our shelter, page 50. 6 racks 3 high and 3 low, allows for optimum use of space, access from both sides. Excellent wheel grip. Stable: May be used freestanding or anchored to the ground, drilled with holes: Ø 10. Bolts not supplied.

## 5 6 Pivoting or fixed wall-mounted bicycle stand

Tyre width 50mm to accommodate bicycles and mountain bikes. Galvanised finish.

5 Pivoting model.

6 Fixed model.

## 7 Post for bicycle stands

Galvanised steel post with black plastic cap. For fitting 1 to 4 fixed or pivoting clamps. Galvanised finish. To be concreted directly into the ground.

## 8 to 11 The Mercure 3, 6, 12-space deco bicycle stands

Single-sided or double-sided. Galvanised steel tube and black painted cast aluminium post caps. Tyre width 50mm. Base plates and anchoring rods supplied.

## 12 16-space bicycle stand

A cycle holder that accommodates 16 cycles: 2 rows of 8 bicycles facing each other. Galvanised steel, side panels painted green with bicycle motif in white. Base plates with hole: Ø 13, (bolts not supplied). Easy and quick to install.

## 13 to 15 Decorative motorcycle & bicycle stand

These stands offer the perfect parking facility for bicycles, scooters and motorbikes. Available in two finishes:

- Galvanised steel with Mercure black (RAL 9005) painted cast aluminium top cap.
- Galvanised, painted in our RAL colours, with a choice of 4 top caps: City, Agora, Sphere or Europe.

To be concreted directly into the ground.

Option of decorative base covers: base 1 for Europe or Sphere top cap, Base 2 for Agora or City top cap (see page 77).
