Cold water High-Pressure Cleaner for daily commercial use

This medium class upright cold water high-pressure cleaner is the ideal model for cleaning larger machinery, vehicles or yards on a daily basis. High water flow and pressure rates ensure thorough cleaning results even with stubborn dirt. One of the main unique selling points of these units is the ability to adjust the pressure and water flow for different cleaning tasks. Other features of this unit include an automatic electric motor shutdown when the trigger gun is released, a 20m pressure hose reel that is supported at both sides to keep the hose tidy and a three-way nozzle that enables the water jet to be adjusted quickly between a high-pressure pencil jet, a high-pressure fan jet and a low-pressure fan jet. Ideal for fast and tough cleaning jobs on the farm, in the workshop and in car fleets and dealerships.

- Integrated hose reel with 20m of High-Pressure hose.
- 4 pole, air cooled, low speed three phase motor guarantees long service life.
- 3 piston axial pump with brass water inlet and cylinder head for an extended service life.
- Easy press trigger gun with servo control reduces operator effort.
- Automatic pressure controlled shutdown upon trigger release for low energy consumption.
- Integrated accessory storage on the back of the unit with additional cable fixing.
- Comes complete with dirtblaster and three way nozzle.
- Large capacity oil tank that can be checked externally.

Technical data

HD 9/20-4 MX+

Power supply	(~V/Hz)	3/420/50
Water flow rate	(l/h)	460-900
Pressure	(bar/MPa)	40-200/4-20
Max water feed temp.	(°C)	60
Connected load	(kW)	7
Weight	(kg)	49.2
Dimensions (L x W x H) (mm)		467 x 407 x 1010
Order No.		1.524-404

Target Markets

- Agriculture
- Craft
- Workshops
- Hire/Fleet
- Construction
- Contract cleaners
- Automotive

Standard Accessories

- 20m High-Pressure hose
- Easy press trigger gun with soft grip inlay
- 1050mm stainless steel rotating spray lance
- Triple nozzle 0°/25°/40°
- Dirt Blaster
- Unit mounted hose reel

Optional Accessories

- 1550mm Lance (4.760-361)
- Push-on washing brush (4.762-324)
- Rotary wash brush (4.762-284)
- FR 30 Hard surface cleaner (2.641-065)
- Nozzle kit (for above) (2.640-442)
