

Mini DOM

MINI AIRFRESHENER DISPENSER

A small dispensers that works through ventilation of a wick impregnated with liquid fragrance. A cost-effective solution for small rooms.

A whole world of fragrances...

- **PRACTICAL**

Very compact and quiet - can be installed anywhere.

- **ECONOMICAL**

Controlled electronically, Mini Dom operates on a single C size, 1.5 V battery, allowing independent operation for 2 months. Refill lasts 1 month.

- **EFFICIENT**

Optimal scent intensity throughout the period between replacements.

- **ESTHETICS**

Modern, attractive and discreet design providing full integration with your environment.

Designed by leading French specialists in aromachology, electronics and fluid management, thanks to its revolutionary dispensing system Mini Dom contributes to your environment through a combination of efficiency and elegance for a minimal cost.

Battery

Wick

Cartridge

- **NATURAL**

Mini Dom dispenses fragrances based on essential oils with a refined scent.

- **HARMLESS**

Domus is aerosol-free.

- **ECOLOGICAL**

Uses environmentally friendly recyclable cartridges.

- **SILENT**

Because Mini Dom makes no noise, it can be installed anywhere.
