

Twintec Cable TT6650S

The TT-6650S cable machine is a genuine workhorse providing a truly cost effective answer to big area floor maintenance.

First and foremost the user will find the TT-6650S as easy to use as our smaller machines with the control and operation systems to exactly the same specification, it handles like a dream.

Big capacity polyform tanks provide a full 60-litre capacity to match the exceptionally stable 65cm single brush scrubbing head, complimented by an oversized fully floating 970mm polyurethane, semi-parabolic collection nozzle.

The motor and power transmission design is one of the best; well and truly time tested over the years and the vacuum motor system is nothing less than our superb Twinflo' bypass unit. You really do end up with clean, dry floors.

Simple to Use Operator Handle

Filter System

Easy Tank-Filling Access

Hi-Lo Switch

Wet Pick-Up Squeegee

The whole machine is constructed on a full stainless steel chassis, simply nothing to rust, and this, in turn, is running on heavy duty non-marking polyurethane wheels.

If it's big areas, big power and big performance that is needed - the TT-6650S will not disappoint you!

Brush Motor	Vac Motor	Power	Working Width	Speed	Capacity	Range	Weight	Size
1200W	1200W	230V AC 50Hz	650mm	50Hz = 150rpm 60Hz = 180rpm	60L	42m	86Kgs	1230 x 1260 x 970mm
