

Logo Mats

Printed mats offer excellent opportunities for corporate marketing and endless possibilities to get the message across on the floor where it will be noticed most. Special manufacturing and printing processes are used to achieve high definition images with maximum impact and performance.

- Heavy duty nylon pile with anti-slip nitrile rubber backing.
- Machine washable at 40°C.
- Jet dyed for permanent high resolution image.

Metric	Imperial
60cm x 85cm	2' x 3'
85cm x 115cm	3' x 4'
85cm x 150cm	3' x 5'
115cm x 180cm	4' x 6'
115cm x 240cm	4' x 8'
150cm x 240cm	5' x 8'

**How to order**

- 1) State the quantity, size and configuration (landscape or portrait) of the mats required and supply suitable artwork.
- 2) Once the order is confirmed, a full colour proof will be submitted by e-mail for approval. Colours will be matched as closely as possible from the standard colour range.
- 3) Once any alterations are completed and the design is approved, mats are scheduled for production.

## The FOOTPRINTS Promotional Mat Range

The FOOTPRINTS division of Blue Diamond offers one of the most comprehensive ranges of printed mats available in the UK and is particularly suited to large quantities. From single colour logos through to full colour photo quality, there is a product to suit almost any application. The range covers household mats, commercial entrance mats, plus point-of-sale, bartop and exhibition mats.....we can even print onto artificial grass.

For more details, please request a copy of the Footprints brochure.
