

# STREAMVAC™

Blocked drains and gutters? **STREAMVAC™** is the answer. For use in both commercial and domestic applications, this sturdy, built-to-last gutter vacuum will provide you with the solution you are looking for.

## Machine Features

### The **STREAMVAC™** comes complete with:

- 30ltr or 70ltr vacuum, depending on the application
- 7.5mtr x 51mm crushproof hose with cuffs
- Selection of modular carbon fibre
- Aluminium swan neck or flexible head attachments.

### These versatile machines can be used for:

- High reach gutter cleaning
- Drain cleaning (option)
- General vacuuming (option).

30ltr vacuum

70ltr vacuum

*“Revolutionising the gutter cleaning method, making the task safer, easier, faster...”*

Drum has a hose & tipping function for easy emptying.

Powerful twin wet & dry motor (2,400 Watt).

Virtually indestructible Structofoam drum. (30ltr vacuum only)

Side entry cyclonic inlet for increased performance and non-blocking. (30ltr vacuum only)

7.5mtr crush-proof hose, providing 15mtr reach from the machine.

Metal cage float assembly.

Can be used as a normal vacuum or a blower.

Front wheels are fitted with locking castors to keep the machine stable.

Large rear wheels for easy manoeuvring over rough terrain.

Operator using a **STREAMVAC™** 230v with 1 x base section (WV-SECT17-AL-B-051) and 2 x extension sections (WV-SECT17-AL-051).

## CCTV Camera Kits

The CCTV portable wireless inspection camera is a simple and convenient inspection instrument. It can be used to inspect inaccessible places, pipes, gutters etc. and can be used for building and safety inspections.

Users can view the inspection live on the 5 inch HD screen or can record videos and take pictures to view later. If the video is not satisfactory, users can delete it and re-record. The DVR memory is 32GB and battery life is 9.5 hours continuous use.

## FEATURES

- The camera & DVR are compact and lightweight
- High resolution images and video recording
- A unique wireless mini inspection camera with 6 Bright LEDs offers 5 metres clear view in complete darkness (LEDs can be turned off)
- High capacity built-in battery offers a reliable power supply for camera and DVR
- No need for any installation, simple to operate
- Portable 5-inch HD DVR offers both real time and recorded videos & photos
- Motion and loop recording available
- Can take an SD card up to 32GB
- Wireless transmission offers convenience for remote view
