

STREAMFLO® Starter Kits

STREAMFLO® 25 LITRE TROLLEY SYSTEM KITS

The **STREAMFLO®-25** Trolley System, mobile water delivery providing pure water on demand. Simply fill the container with tap water and it's ready to work, producing 0 ppm pure water on demand.

A commercial trolley built for the most demanding tasks, ideal for: professional window cleaners, contract cleaners, shopping centres, hotels, schools, hospitals, nursing homes, public houses, clubs etc.

The battery will work 12 hours consistently on full charge, which takes 6 hours to fully charge. The max flow of the system is 1700gpd (4.5ltrs per minute) with the pump working at 100psi. This system has a digital flow controller to adjust the speed or the pump, allowing the operator to save water.

RECOMMENDED FOR...

The **STREAMFLO®-25** Trolley System is recommended as a starter package, to begin the waterfed pole cleaning with all tools you need. Take the water to the window with the **STREAMFLO®** trolley.
