

CT470-2

The CT-470 is the bigger brother to the 370 with double its capacity for those that need more operational time between filling and emptying to cover larger areas.

Twinflo'

The power head incorporates the high performance Twinflo' bypass motor and Powerflo' pump system ensuring efficient discharge and liquid collection.

The container system is our unique "tank within a tank" design providing for clean and dirty water within one compact size.

The full accessory kit provides for both carpet and upholstery cleaning with optional additional accessories for hard floor, wet or dry pick-up facilities.

* Also available CTT470-2 with transparent container
