

LoLine NLL415

With the increasing demand and need for higher standards of cleanliness, the Lolines will put truly usable power in the hands of the operator, yet with a level of convenience that cannot fail to impress and, subsequently, to improve both efficiency and the final results.

The Loline 415 model embodies all of the many unique features of the 332 but is suitable for a range of larger 40cm (16") brushes and 36cm (14") floor pads.

With this machine running at an operating speed of 150rpm it is a genuine taskmaster, satisfying a whole host of floor maintenance needs, be it polishing or scrubbing.

Large Solution Tank

Selection of Pads and Brushes

Slim Folded Profile

150 rpm

Polyscrub Heavy Duty Scrubbing Brush

The exceptional ease of use cannot fail to impress any user, and even more so where extended operating hours are part of the daily routine.

The solution tank system allows for easy use and compact storage, whilst its unique universal filling system adds further to operator convenience.

Full range of brushes and pad drives. See page 15.
